

## **We Need Your Help!**

**Holiday Tradition:** For the past several years we have adopted Albert E. Kagel Elementary School at the holiday season. Our goal again for this year is for each child to receive a **HAT and pair of MITTENS** for the winter season! And as one of our clients so elegantly suggested - every child should also have a toy! We are collecting 100 hats and mittens for the kindergarten (K4 and K5 class rooms) class as well as a small toy or stuffed animal. We will have the names and ages of each child and the specifics that are involved at our office. If you are unable to purchase a hat and pair of mittens we will also graciously accept cash donations and do the shopping for you. All donations will be accepted until December 10<sup>th</sup>. If possible, please bring the gifts to our office wrapped and labeled for a boy or girl. Ellenbecker Investment Group will match our employees' donations to purchase additional items for the children and classrooms. In the past, we have provided each child with a gift bag full of art supplies, toys, beanie babies and candy. This is an extremely fun and rewarding project for both the children and all of Ellenbecker Investment Group's employees and clients.

**Giving Back:** We have made it a tradition to give back to the community all year long with our food bin by gathering non-perishable items for the local food pantries and professional clothing for the Bottomless Closet. Please feel free at any time to drop off gently used women's business clothing and accessories or non-perishable food items for our collection bin.

**Please help us if you are able! The joy you receive from giving is greater than the gift you give.**
